## Master Vincent Cruz

### Driving Directions

#### From 101 North or 101 South:

Exit onto Montague Expressway eastbound; turn right on De La Cruz Boulevard.

#### From 880 North or 880 South:

Exit onto Montague Expressway westbound; turn left on De La Cruz Boulevard.

De La Cruz Boulevard is a traffic light; the other direction is Agnews. The River Mark Center (a large shopping center) is on the corner.

### Montague Elementary School

Multi-Purpose Room  
750 Laurie Avenue  
Santa Clara CA 95054

From De La Cruz, turn right on Argus Way (the second right, don't pass the park) and turn left at the end on Laurie Avenue. The school is on your left. Enter either parking lot; both are convenient to the Multi-Purpose Room.

**Doors open at 9:00 am**

### Hotels/Motels

There are lots of hotels and motels in the general area; most are business hotels and fairly expensive, even with their weekend rates.

We are recommending **Biltmore Hotel & Suites**, 2151 Laurelwood Road, two miles from the school at 101 and Montague Expressway (see map above). From 101, Laurelwood is just barely past the interchange. From the direction of the school on Montague, turn at Thomas (traffic light), go all the way to the end, and turn right onto Laurelwood, and come around to the hotel.

With their weekend discount (no breakfast) or AAA or other discount (with breakfast), the rates for Friday and Saturday nights are very reasonable. See <http://www.hotelbiltmore.com> for details and reservations. With their discounts, the price is similar to a Quality Inn type of motel.

There is a **Motel 6** slightly farther down 101, at the Brokaw Road / First Street exit (see map above). It can be less expensive than the Biltmore. See <http://www.motel6.com> for Motel # 1007.
